27 February 1956

Dear Senator:

As you may know, December 1, 1956 marks the fifteenth anniversary of the civilian auxiliary of the United States Air Force, perhaps better known as the Civil Air Patrol.

In recognition of the outstanding service rendered by this organization I propose to introduce, by request, a Senate Joint Resolution proclaiming that the week ending December 1 of each year be designated as National Civil Air Patrol Week. I plan to submit the Resolution on Wednesday, February twenty-ninth.

I will be happy to have you co-sponsor this measure and suggest that you have a member of your staff call Jim Calloway of my office - extension 1147 - if you desire to participate.

Sincerely,

[Handwritten signature]

John J. Williams, Del.
