Governor Herbert H. Lehman
United Nations Relief and Rehabilitation Administration
Washington, D. C.

Dear Governor:

You have my deep sympathy in the loss of your son. It is a great pity that he should be taken but you must have great satisfaction in knowing that he gave his life to his country.

From the time he entered the Air Corps I was interested in his career and I am so sorry that it should end so soon.

I, with your legion of friends, share your grief.

With best wishes and warmest regards,

Faithfully yours,

Frank E. Gannett
