August 25, 1950

Hon. Herbert H. Lehman
United States Senate
Washington, D. C.

My dear Senator:

My friend, William Burry, a Chicago lawyer, has been recommended by Governor Stevenson of Illinois for appointment to the vacancy on the Civil Aeronautics Board. He is an intelligent lawyer and has long been interested in aviation, having a plane of his own.

Sincerely yours,

Lloyd Garrison

Congratulations on your Spanish loan stand

Captain John T. Killhope was recommended for Civil Aeronautics Board
