The Municipal Council of Athens, in a special meeting, having been informed of your publicly manifested aspect in favor of the granting the universally recognized right of self-determination to the people of Cyprus and interpreting the feelings of the people of this historic City of Athens, unanimously decided to express you all Athenians' thanks for your noble advocacy for a so noble high ideal as is the self-determination of a small people, as well as our deep confidence that you will not cease even in the future your efforts for this purpose until its final fulfillment.

Accept, please, the affirmation of our deep appreciation with which we remain,

The Municipal Council of Athens

The President

John Evangelidis

The Secretary

Your Excellency:

The Municipal Council of Athens in a special meeting, having been informed of your publicly manifested aspects in favor of the granting the universally recognized right of self-determination to the people of Cyprus and interpreting the feelings of the people of this historic City of Athens, unanimously decided to express you all Athenians' thanks for your noble advocacy for a so much high ideal as the self-determination of a small people, as well as our deep confidence that you will not cease even in the future your efforts for this purpose until its final fulfilment.

Accept, please, the affirmation of our deep appreciation with which we remain,

The Municipal Council of Athens

The President
John Evanghalidis
