CONDUCTING A PROGRAM OF PUBLIC INFORMATION TO APPRISE AMERICANS OF THE
BROAD ADVANTAGE OF A NATIONAL POLICY OF ECONOMIC SELF-CONTAINMENT,
as outlined in Samuel Crowther's book, "America Self-Contained"

57 WILLIAM STREET • NEW YORK, N. Y.

October 31st, 1933

Governor Herbert H. Lehman,  
Capitol,  
Albany, N. Y.

Sir:

Will you as a leader of public opinion subscribe in your own and the country's interest to the doctrine of America Self-Contained, based on Samuel Crowther's book of the same title.

The enclosed folder indicates what we stand for and why.

This committee has been formed, and its expenses underwritten, to further the necessary vital movement towards American economic self-containment.

By adding your statement, for publication, to that of other leaders, you will help in crystalizing public opinion and making it possible for our government to continue adherence to and extension of this program, to the end that our national recovery may be furthered.

If we can be of any help in providing, gratis, further study material, pamphlets, suggestions for speeches or other information, please call on us.

Sincerely yours,

[Signature]

Chairman.
