EXECUTIVE DEPARTMENT

July 16, 1934.

Hon. Herbert H. Lehman, Governor  
Executive Chamber, Capitol  
Albany, New York.

Dear Governor Lehman:

Mr. Tobin, the Secretary of our New York State Catholic Welfare Committee, reports to me that you had a very representative gathering at the Milk Conference luncheon July 12, 1934 and the conferences that followed in the various group meetings.

As Chairman of this Committee, I wish to assure you of our full support of this project in the interest of the undernourished child. We desire to have you know that our Committee is prepared and glad to help in any way that you yourself or the Department of Farms and Markets cares to indicate. The communications in this respect may be addressed to Mr. Tobin, as Secretary to 100 State Street, Albany, N. Y.

I trust you will find time soon to take a vacation. With very kindest regards, I remain,

Yours sincerely,

*Edmund F. Gibbons*
