S. 2851 is a bill to transfer certain lands from the Veterans Administration to the Department of the Interior for the benefit of the Yavapai Indians of Arizona. I have checked and I find that these Indians are in a very distressed condition and that these increased grazing lands will be useful to them. This bill, as you know, has been assigned to the Committee on Labor and Public Welfare. Chickie informs me that Goldwater called Senator Lehman about this bill this morning.
