November 15, 1950

Honorable Herbert H. Lehman
United States Senate
Washington, D. C.

My dear Senator:

I extend to you my hearty congratulations upon the wonderful victory you won at the election on November 7th. Labor measured up to a high standard in the election in New York State when it helped re-elect you to the United States Senate by a decisive majority.

Your victory made us all happy. It off-set to a great extent the feeling of disappointment we experienced over the results in Ohio. I know I express the sentiment of the workers in New York State and throughout the country when I say that all of us rejoice over your great victory which you won at the election held in New York on November 7th.

Very sincerely yours,

President,
American Federation of Labor
