Hon. Herbert Lehman  
State Department  
Washington, D. C.

Dear Governor:

This is the first opportunity I have had to write you to congratulate you on the great opportunity for service that has come to you and to congratulate our people and the people of Europe, Asia and Africa that you have undertaken the superhuman and delicate tasks that lie ahead. Your knowledge both of finance and administration and the proven breadth of your philanthropic zeal - I am using that word in its original Greek meaning - made you the outstandingly qualified man for this undertaking.

If there is anything I can do to be helpful, you have only to call on me.

Sincerely and cordially yours,

Luther Gulick  
Director  
Office of Organizational Planning
