November 10, 1948

Dear Joe:

I am distressed to read in the paper that you are having some trouble with your eyes and have to undergo treatment at the hospital. I do hope that the trouble is only a very slight one and that before long you will have entirely recovered.

With kindest regards to you and your family, in which Edith joins me, I am

Very sincerely yours,

Governor Joseph R. Hanley

The Capitol

Albany, New York
