Memo from Mrs. Lehman - October 27, 1950

Questions posed by the World Telegram:

Subject: Hiss

1. Would you write the same letter today?

2. Do you support the activities of your niece, Mrs. Helen Buttenwieser in behalf of Alger Hiss?

3. Have you seen Alger Hiss recently?

Two additional questions by the World Telegram:

Did you contribute money to Alger Hiss' defense, and

Did you help in any way to help pay for printing of the trial record

Suggested answer:

"If and when I want to answer the questions, I will pick my time and place."

Suggested

This reply was agreed upon by Mrs. Lehman and Maguire and others in headquarters, so that you could answer next Wednesday or Thursday if you so choose. The questions -- if any additional are submitted -- could be collected up to that point.
