TO THE MEMBERS OF THE BOARD OF DIRECTORS:

There will be a meeting of the Board of Directors of the Welfare Council on Wednesday, January 27, at 4 P.M. in the East Hall of the Russell Sage Foundation Building. Before the meeting you will receive a brief printed summary of the progress of the Council up to the present time. Several members of the Board will be asked to lead the discussion of this report, and it is hoped that all those present will express themselves freely concerning its contents and any other matters affecting the policies or methods of the Council. It is hoped that the meeting may be largely attended. Active participation of Board members is especially needed during this formative period of the Council's activity.
