His Excellency, Herbert H. Lehman,
State Capitol,
Albany, New York.

Dear Herbert:

I am told by the office of United Neighborhood Houses that you have renewed your generous contribution to our work. In addition to the formal acknowledgment that you will receive from the office I want to add my own sincere thanks. Your continued interest evidences the fact, I am sure, that you believe United Neighborhood Houses to be a useful organization. I feel definitely that the work that is being done is becoming increasingly important in these very difficult times and I am grateful that it has your interest.

After all you are in a better position than most of our contributors to know what we are doing because we have bothered you in your official capacity on many an occasion in order to try to get help for some social cause --- and I am glad to testify here and everywhere that you have never failed to interest yourself in the problems that we thought of vital importance. I am delighted that during the next four years we will be able to continue to turn to you in dealing with the same problems.

With sincere regards to you and Mrs. Lehman, believe me

Sincerely yours,
