My dear Mrs. Lehman,

This is just a note to tell you how shocked and grieved we were to hear the sad news about your son. We wish there were something we could do to help, and want you to know that all of you
have our very deepest sympathy. He was such a splendid fellow and will be very greatly missed by everyone who had the pleasure of knowing him. We were very sorry to learn of the Governor's misfortunes and trust indeed, that he will have an early and complete recovery. It seems most unjust to have such calamities come to a person who is doing so much for the war effort and the Government. I trust you and your family will soon recover. I send you my very deepest sympathy. Ever yours sincerely,

Elizabeth Dennis
