That is their part of our national debt which reached the staggering figure of owner-occupied dwelling in the Nation.

Congress are committed to a program of peace has already cost more than Roosevelt and even more taxes. A government without American moral leadership it can exercise no moral authority abroad. People themselves must reduce the amount of government. They must reduce the kind of government they want. To correct the evils of such a government to the Constitution of the United States: sixteenth Amendment removed it with such evil consequences.

The amendment proposed reimpose on the Federal Government the same character of limitations that have been set by the States and cities from the date of their organization. The result is that most of them are sound and the Federal Government almost bankrupt.
