Granting the consent of Congress to the States of New York, New Jersey, and Connecticut to authorize the Interstate Sanitation Commission to make certain studies of smoke and air pollution.

That the consent of Congress is hereby given to the States of New York, New Jersey, and Connecticut to confer upon the Interstate Sanitation Commission, established under the Tri-State Compact as consented to by Congress in the joint resolution of August 27, 1935 (49 Stat. 932), the power to make studies of smoke and air pollution within any or all of the territory served by such Commission, such studies to include surveys of the sources and extent of such pollution, property damage caused thereby, its effect upon public health and comfort, and relevant meteorological, climatological, and topographical factors.

Sec. 2. The right to alter, amend, or repeal this joint resolution is hereby expressly reserved.
