Honorable Henry M. Jackson
United States Senate
Washington, D. C.

Dear Scoop:

I have already told you frequently what a fine job you did at the McCarthy-Army hearings. I now want to make the expression of my appreciation more formal.

You, John McClellan and Stuart Symington served splendidly and brought into the open many facts which a lot of people wanted to keep hidden.

Like most of the people of this country, I am very grateful to you.

With kind regards, in which Edith joins me

Yours very sincerely,
