Hon. Herbert H. Lehman
Executive Chamber
Albany, New York

My dear Governor Lehman:—

After you mentioned to me that the trowel which you used to lay the corner stone of the Jamestown Armory had disappeared, I made inquiry as to whether it had been found here in the city.

It was left at the Armory and is in the possession of the Officers who hope to have an opportunity to redeliver it to you at Jamestown at the time of the dedication.

Very sincerely yours
