Hon. Herbert H. Lehman
United States Senate
Washington, D.C.

Dear Senator:

I believe you will be interested in the enclosed resolution which I introduced. It seeks to ascertain why so many of our citizens fail to vote and what can be done about it. The resolution has evoked a considerable amount of interest and editorial comment throughout the country. I am doing my best to obtain a hearing before the Rules Committee and thought you would be interested in knowing about it. I also enclose the fact statement which accompanied the resolution and which gives some of the background material.

I hope the subject of the resolution may engage your interest and support.

With best wishes, believe me

Sincerely,

J. K. Javits, M.C.
