Dear Senator Lehman:

I have now received from the Department of the Army a report concerning conditions at Fort Devens, Massachusetts. This report was sent in response to an inquiry of the Preparedness Subcommittee concerning the allegations made by Mr. Irving I. Fisher and by Dr. Nelson Collins, both of New York, whose letters you had referred to this Subcommittee.

You will note that Mr. Fisher had also written the Commanding General of Fort Devens, and the Army has enclosed a copy of that letter and also a copy of the Commanding General's answer to it. This correspondence is enclosed with a copy of the Army report.

I am pleased that this matter was brought to the attention of the Preparedness Subcommittee.

Sincerely,

Lyndon B. Johnson, Chairman
Preparedness Subcommittee

Honorable Herbert V. Lehman
United States Senate
Washington, D. C.
