Dear Senator:

This will acknowledge receipt of your communication enclosing a letter from Mr. R.W. Brown commenting upon various policies, practices and problems affecting the men in the armed services.

I found Mr. Brown's letter most interesting and have taken the liberty of make a copy of our files.

As you are probably aware, the Committee is sending out a task force in the very near future to investigate conditions at advanced military training centers. I have instructed this task force to pay particular attention to the points discussed in Mr. Brown's letter.

With highest regards,

Sincerely,
