Dear Senator:

I have read with much interest and appreciation your letter to Mr. Walden Moore about the Atlantic Union Resolution and I think it is a splendid statement of the necessity for passage of the Resolution.

As principal sponsor of the Resolution in the Senate I welcome the earliest opportunity of talking to you about the matter and enlisting your aid in securing early passage of the Resolution.

Looking forward to serving with you in the Senate and wishing you a very Merry Xmas.

Sincerely,

cc: Mr. Walden Moore
Mr. Edmund Orgill
Mr. Clarence Streit
