Honorable Edna F. Kelly  
House of Representatives  
Washington, D. C.

Dear Congresswoman Kelly:

I am enclosing copies of letters I have received from the Economic Cooperation Administration and the State Department in regard to the surplus manpower problem, in which you have expressed a strong interest, and in which I have expressed my interest during the debate on the Mutual Security Act. These answers are replies to letters I sent to these agencies, copies of which I sent to you.

If there is anything which you can do with the House Conference to have inserted in the Conference Report strong and possibly mandatory designations, that would be very useful. I am sure that we both agree that this is a vital part of the aid program.

With kindest personal regards, I am

Yours very sincerely,
