Hon. Herbert H. Lehman
Governor, State of New York
Albany, New York

Dear Governor Lehman:

In reply to your letter of October 31st, with reference to Prime Minister Mackenzie King having been in Saratoga, I must plead that my check-up was rather lax in the instance case, but it occurred in this way:

On arriving at Saratoga by train the pullman porter whom I knew pointed out to me a tall gentleman to whom he referred as Prime Minister Mackenzie King. Some time after arrival at the hotel I spoke to Mr. Sweeny concerning his guest; he also was under the impression that the person was the Prime Minister but that he had registered as Ian Mackenzie with the request that no publicity be given his arrival.

I regret exceedingly that I should have been the bearer of misleading information. Your enclosure is returned herewith, as requested.

With warm personal regards,

Sincerely,
