Hon. Herbert H. Lehman
United States Senate
Washington, D. C.

Dear Senator:

We return herewith the letter from Alfred A. Knopf relative to the minutes of the Roosevelt-Churchill-Stalin conferences, since these are not in the Library. We suggest that the inquiry be directed to the National Archives; the minutes undoubtedly would be either there, or in the Roosevelt Memorial Library at Hyde Park, which is under the jurisdiction of Archives.

Very truly yours,

W. C. Gilbert
Assistant Director
Legislative Reference Service
