Dear Senator Lehman,

Just a line to thank you sincerely for listening to me yesterday so patiently. Directly from your office I went to join Mr. Sharett at Mr. Harriman's office. It could not have been a more encouraging meeting. Mr. Harriman listened with sympathy to the story of Israel's achievements and future plans. His attitude towards our idea to store strategic materials in Israel was most constructive. In fact, at this very moment he is trying to map out a program of stock piling essential raw materials in strategic places of the globe. Mr. Harriman was also encouraging with regards to our suggestion to utilise our arms production for the common effort.

You, dear Senator Lehman, expressed interest in Mr. Harriman's reaction and therefore I hasten to write to you and hope that you will be as pleased as we are.
I am writing from a comparatively quiet but constructive U. J. A. conference.

Let me thank you again for your constant help and assistance.

With best wishes to you and Mrs. Lehman
I remain, dear Senator,

Yours sincerely,

Theodor Kollek

P.S. You asked about Judge William Clark's visit to Israel. I am attaching a clipping concerning his trip.
