Honorale Herbert H. Lehman  
Senate Office Building  
Washington, D. C.

Dear Herb;

I have received a letter from Mr. Ken G. Whitaker, of the Tennessee Valley Public Power Association, in which refers to some comments of mine in the Senate and in which he informs me that his organization will be more than glad to help in obtaining the objectives of the several disaster insurance proposals now before you and your subcommittee. I believe this letter ought to be made a part of the Record. Beyond that, I want to be of every assistance in having speedy approval in the Senate of sound disaster legislation which, of course, is your own view as well.

Kindest regards.

Sincerely,

THOMAS H. KUCHEL  
United States Senator
