Honorable Fiorello H. LaGuardia,
Office of the Mayor,
City Hall,
New York, N.Y.

My dear Mayor LaGuardia,

I have been pretty busy traveling around the State and, therefore, have delayed in answering your letter of August eighteenth, in which you advise me that you would like to have a talk with me about some tests to be made by the United States Bureau of Standards.

I am spending most of my time in Albany and in inspecting state institutions in different parts of the State but I will, of course, be very glad to see you at the first opportunity when I get to New York. If you will have your Secretary give me a ring I will be glad to make an appointment to see you at some mutually convenient time.

Kind personal regards.

Very sincerely yours,
