Hon. Herbert H. Lehman
United States Senate
Washington, D. C.

Dear Senator:

Sorry that you are put to the trouble of sending me a letter after the receipt of the resolution of the Federation Trustees, yet I am very happy to own the letter.

I again wish you many, many years of good, vigorous health, to continue in the enjoyment of the service you are rendering to humanity.

Mrs. Lazansky joins me in asking to be remembered to Mrs. Lehman.

Sincerely yours,

Edward Lazansky
