The Honorable Herbert H. Lehman  
Governor of the State of New York  
Executive Mansion  
Albany, New York

Dear Sir:

I thought you might be interested to receive my article (and its translation) "The Lehman Family" which has recently been published in "The Way in America", a German language periodical.

This article was offered with the thought that the German refugees may find encouragement in the success of other Americans of German descent who have adjusted and distinguished themselves in the American scene.

Very truly yours,

Herman E. Weiller
