DIRECTORS HONOR JUDGE LEHMAN

Camp Lehman Boys Join in Tribute

On Tuesday night Justice Irving Lehman, president of the Association, was the recipient of a mark of esteem on the part of the Board of Directors and the boys of Camp Lehman, when he was presented with a bronze statue by the Board, and with a silver-bound Bible by the younger boys. The occasion was the last Board meeting before January 1st, when Judge Lehman will assume his duties as a judge of the Court of Appeals in Albany.

In making the presentation of the statue on behalf of the Board Mr. Simon Gottschall addressed Judge Lehman as follows:

"Judge Lehman, we have been associated with you so long and in such harmony that I need not embarrass you by the verbal expression of our esteem and love for you. I am sure that you must feel this, and you must know that the thought of our contact in the future becoming less frequent because of your absence from the city has been a source of deep regret to every member of this Board. We feel that no one can adequately replace you in this respect.

"We feel that we must give some material expression of our esteem for a man whom the State has recognized as a great citizen by honoring him with one of its choicest gifts. As Judge, we feel that you grace your office justly and wisely, typifying both the letter and the spirit—justice tempered with mercy. One of our greatest Jewish artists has given expression to this thought in this bronze which we, the Board of Directors of the Young Men's Hebrew Association, present to you tonight as a mark of our esteem and respect. To us, Judge Lehman, you typify Hillel encompassing with your love all mankind. The spirit personified is the just administration of the law.

"We wish you and Mrs. Lehman every happiness and health in your new office in Albany, and we hope that the joy of having you often with us will be accorded to us."

Stanley Schiff, representing the campers, told the Judge of the affection for him acquired by the boys, who looked up to him as the ideal citizen of the commonwealth.

Judge Lehman responded by saying that he was deeply

WILLIAMSBURG DEBATE TO-MORROW NIGHT
To Discuss Reparations

On Saturday evening, December 22nd, the first debate of the season will be held at Williamsburg. The Y. M. H. A. will be represented by Adolph Frank, a veteran of last year’s team; Abner Siegel, of the Hillel Club, who recently passed his bar examination, and Irving Lewis, of the Seneca Club and President of the Senior Intermediate League of Presidents. In view of the strength of the Williamsburg team a hard fight is expected, and as many members as possible are urged to attend.

CECIL B. RUSKAY CHARMS HEARERS

Interesting evenings are being spent by those who attend the Lecture Forum Series. Mr. Ruskay, at his last reading, gave a pleasant surprise to a large number of the men present, who, in some instances, had never heard of Henrik Ibsen. Everyone present, from the intelligentsia to the lowbrow, learned something new about Ibsen but about the continental drama as well. His reading of “The Mob,” by John Galsworthy, on Thursday evening, December 13th, was a treat. The Association Players turned out in full force, and, as some people experienced at Health Lectures, they had to be turned away.

It is expected that the Real Estate and Business Men’s Series will require the use of the auditorium. Much credit for our splendid attendance is due to Messrs. Adolph Frank and Theodore Goldsbery, who are acting as the managers for the Forums.
