August 21, 1942

TO WHOM IT MAY CONCERN:

I have been advised that Mr. Richard E. Limburg of New York is an applicant for a commission in the United States Army. I take pleasure in strongly endorsing his application.

Mr. Limburg is my nephew and I, of course, have known him throughout his life. He is a man of the highest character, cultured, loyal and industrious. He is a graduate of Yale, where he maintained a high scholastic standing. He has been a successful businessman in New York and very highly regarded by his associates and the community.

I am confident that if honored with a commission, he would efficiently and faithfully discharge all duties assigned to him.

Very sincerely yours,

HERBERT H. LEHMAN
