Lieutenant-Governor Herbert H. Lehman,
The State House,
Albany, N.Y.

My dear Governor:

I am enclosing the photographs which you requested. I had a dozen of them made up, while I was about it, and I trust that these are the ones you wanted. If not, please do not feel the slightest hesitation in letting me know.

As I stated in my last letter, I trust that you will not deprive me of the pleasure of presenting them to you as some slight token of my appreciation of your many kindnesses in the past.

And I hope to give myself the great pleasure of accepting your invitation and dropping in on you the next time I am in Albany.

Most sincerely,

P.S. I'll not repeat my congratulations but I'm still feeling good about the results of the election.
