March 30, 1955

Honorable Russell B. Long  
United States Senate  
Washington, D. C.

Dear Russell:

I have examined your bill, the "Public Facilities Loan Act of 1955", and find myself generally in sympathy with its objectives.

While I will follow the progress of the bill and hope that I will be able to support it, I prefer not to co-sponsor it.

Yours very sincerely,
