Dear Mr. Rehavam,

We are all greatly relieved to know that your unfortunate accident has not held you back from continuing your search for mercy. Will you not be coming to Palestine?

Aside from the fact that you would be wanting to naturally, some constructive activities have been under way for a number of years—so far as, for example, UNRRA and immigration & settlement. From which, conceivably, UNRRA might be able to draw beneficial...
Can classrooms for use in other countries.

There are also here members of well-trained persons who would like to meet you and might be helpful.

The University, Hadassah, the Middle East Committee in J.D.C. are all eager to be of service.

As some can be said of many of the constituent parts of the organized community.

Beatrice sends you all good wishes and is looking forward to seeing you.

If you can not come here shall I go to Cairo to meet you there? With kindest regards.

Sincerely yours,
