Honorable Warren G. Magnuson
United States Senate
Washington, D.C.

Dear Senator Magnuson:

As Senator Lehman is not in Washington at the present time I wish to acknowledge your recent letter with which you enclosed a copy of Memorial Addresses Delivered in Congress for the late Honorable William Thomas Byrne.

It was most thoughtful of you to send this to the Senator, and you may be sure that I will call it to his attention when he returns.

Yours very sincerely,

(Miss) Mildred Akins
Assistant to Senator Lehman
