The American Civil Liberties Union expresses its deep appreciation for your stalwart leadership in the effort to end the practice of filibustering by revising Senate Rule 22. Your efforts have the whole-hearted support of the union which recognizes that a change in this rule is essential if greater democracy in the debate of the Senate and consideration by it of vital legislation is to be attained. We sincerely hope that your efforts will be fruitful.

Patrick Murphy Malin Executive Director American Civil Liberties Union 170 Fifth Ave New York NY
