Hon. Herbert H. Lehman
U. S. Senate
Washington, D. C.

Dear Senator Lehman,

My wife joins me in heartfelt expressions of every good wish for the New Year. We pray that it may be a harbinger of good health, happiness and satisfaction for you, Mrs. Lehman and the other members of your family.

I continue to thrill over the magnificent record you are making in the Senate. You are always on the "side of the angels". I was also happy to note my old friends of the South, Estes Kefauver and Frank Graham, among the seven who refused to become victimized by the present-day hysteria.

God bless you!

Yours sincerely,

JM/k
