Expression of Appreciation to Members and Officers of the Legislature, and to the Governor

Dr. John L. Bauer, Kings: The Legislative Committee asks the House of Delegates to adopt an expression of appreciation to the members and officers of the Legislature, and especially to the Governor, for the courteous reception extended representatives of the medical profession and the thoughtful consideration they have given medical and public health measures that have come before them.

The motion was seconded by several.

Speaker Bauer: I am sure it is not necessary to send that to the reference committee, and unless there is objection I will place it before you now.

The question was called for, and the motion was put to a vote, and was unanimously carried."
