Hon. Herbert H. Lehman,
Executive Mansion,
Albany, N.Y.

Dear Governor Lehman:

It was a great shock to me to learn that I had overlooked inviting Mrs. Lehman to the United Jewish Appeal dinner last Thursday night.

The responsibility is all mine. I can only offer my humble apologies and ask you to believe me when I say that it was an inexcusable oversight.

Brooklyn would have been doubly honored by the presence of Mrs. Lehman with you at the dinner for we have a very deep affection for her and it is our fervent hope that she may continue to honor and serve our State for many years to come.

My warmest greetings to both of you.

Faithfully yours,

Mitchell May
