August 2, 1951

Honorable Herbert H. Lehman
United States Senate
Washington, D. C.

Dear Senator Lehman:

On July 25 you forwarded to me a telegram you received from Mr. Morgan Strong of the New York State Conference of Mayors and other Municipal Officials objecting to the Kennedy amendment concerning public utilities.

Mr. Strong will be pleased to know that the Kennedy amendment was deleted in conference and that the provisions of the Defense Production Act of 1950 remain intact exempting public utilities from federal price control.

Sincerely yours,

Burnet R. Maybank
Chairman
