August 2, 1951

Honorable Herbert H. Lehman
United States Senate
Washington, D. C.

Dear Senator Lehman:

On July 26 you forwarded to me a telegram you received from City Manager Fleischman of Long Beach, New York, objecting to the Kennedy amendment concerning public utilities.

Mr. Fleischman will be pleased to know that the Kennedy amendment was deleted in conference and that the provisions of the Defense Production Act of 1950 remain intact exempting public utilities from federal price control.

Sincerely yours,

Burnet R. Maybank
Chairman
