The Federal Hall Memorial Associates, of which I am Chairman, is arranging for a meeting commemorative of the ratification of the Bill of Rights, on the steps of the Sub-Treasury, during the noon hour on Monday, the 15th. This will be somewhat in the nature of the meeting on the date of the original adoption of the Bill of Rights - on September 25th - which you attended and at which you spoke. Our program, however, will be briefer and will consist of short addresses by the heads of various patriotic and historical societies; one by Governor Lehman, and the singing of the National Anthem by Miss Hilda Burke of the Metropolitan Opera Company.

We would be much gratified if you will again attend and speak upon any phase of the significance of the day, you may elect.

Hoping that you may indeed be with us, I am,

Sincerely yours,

GEORGE McANENY

Chairman
