Dear Governor:

Don't bother to answer this note.

I just have to tell you from time to time how many of us rely upon you to keep up the battle. Liberal voices are lonely these days - so are fearless people.

More power to you!

My warm regards to Mrs. Lehman.

The McCloskeys want you to take care of yourself.

Sincerely,

Mark McCloskey

Hon. Herbert H. Lehman
United States Senate
Washington, D. C.
