Honorable Kenneth McKellar
Chairman, Senate Appropriations Committee
Senate Office Building
Washington, D. C.

My dear Senator McKellar:

In response to a request by Mayor Henry F. Richardson of Northport, New York, I should like to propose the inclusion of an appropriation in the 1951 budget of the Corps of Engineers for the dredging of a harbor at Northport, New York. The amount recommended for 1948 by the Corps of Engineers was $37,000 of Federal funds; local interests are to contribute $15,000 in addition.

This project was authorized by Congress in the Rivers and Harbors Act of 1945 (Public Law 14, 79th Congress).

Sincerely yours,
