Dear Senator Lehman:

Your letter of the 11th concerning appropriations in the amount of $1,000,000, as recommended by the Bureau of the Budget, to carry on the engineering studies and design of Niagara Falls received and noted.

I will lay this before the committee at once. It will give me pleasure to do so.

We will be glad to have you come before the committee if you desire to do so. You can let Mr. Smith, the secretary, know.

Very sincerely yours,
