MEMORANDUM

TO: Senator Pat McNamara

FROM: Julius C. C. Edelstein
      Administrative Assistant to Senator Lehman

At the direction of Senator Lehman, I call your attention to certain items scheduled for inclusion in the record of the hearings on juvenile delinquency. Most of these items were implicitly or explicitly approved for inclusion in the record in the course of the hearings. The record should show, however, that all the items were included by direction of the Committee.

I have been directed by Senator Lehman to suggest that if you have any objection to the inclusion of any of the items listed below, notification be sent to me. Actually, there are no controversial matters so included.

The items scheduled to be included in the record of the hearings by previous direction of the Committee are as follows:

- Report of the Department of Commerce.
- Report of the Department of Justice.
- Statements from the following State Departments of Public Welfare:
  - Alabama
  - California
  - Colorado
  - District of Columbia
  - Hawaii
  - Iowa
  - Mississippi
  - North Carolina
  - North Dakota
  - Oregon

- Statement by the National Council of Jewish Women, Inc.
- Additional statement by Mrs. Mildred Jeffrey, UAW-CIO.
- Chart showing status of Office of Children's Affairs, in the Department of Health, Education, and Welfare.

The items for which there was no explicit authorization...
for inclusion but which Senator Lehman proposes be included, subject to the approval of the Subcommittee, are as follows:
