Dear Mr. Lehman:

Professor Albert Einstein will be the guest of honor on Monday evening, May 13, 1935, at an intimate dinner to be tendered to him at The Waldorf-Astoria. This dinner is being arranged by a group of his friends as a public tribute to the world beloved scientist and to assist and encourage him in a project which is close to his heart—the care, treatment and education of children of German refugees.

Professor Einstein and I will deem it a great honor if you will accept membership on the committee which is sponsoring the dinner. In order to insure its success, we are asking that each member of the committee subscribe for at least one ticket, the price of which is $25. The entire proceeds will be turned over to Dr. Einstein on the night of May 13th.

In view of the shortness of time, I would appreciate it greatly if I might have your acceptance to serve by return of the mail.

Cordially,

Henry Morgenthau, Chairman
