Hon. Herbert Lehman  
U. S. Senator  
Washington 25, D. C.

Dear Senator:

Enclosed is the copy of a translation which has been made of a letter which came to me from France. This letter was headed "To Senators Lehman of New York and Morse of Oregon" but our post office delivered it to me. The translation was made for us by the Library of Congress.

With kindest personal regards.

Sincerely,

Wayne Morse
