Hon. Herbert H. Lehman
Senate Office Building
Washington 25, D. C.

Dear Senator:

H.R. 1814, which I introduced in the House for the relief of Caroline M. Newmark and Melville Moritz, passed the House on May second and is now pending before the Senate Judiciary Committee. A copy of the bill, together with the House report, is enclosed.

The bill was originally introduced by my predecessor, Congressman Leo F. Rayfiel, and called for the sum of $10,000. The House Committee reduced that to $5,000 and the bill passed in the 79th Congress but, unfortunately, no action was taken in the Senate. You will notice that the bill as passed by the House this Congress reduces the amount to $4,000.

These people are my next-door neighbors and I am very much interested in having the bill passed. I will appreciate any cooperation you may be able to extend.

With kindest personal regards, I am

Sincerely,

Abraham J. Multer
